Sheikh Mukhtar Abu Zubayr's last
address to the Islamic Ummah

EDITORIAL

In the name of Allah, the most beneficent the most merciful who said:

﴿ And make ready against them all you can of power, including steeds of war (tanks, planes,missiles, artillery, etc.) to threaten the enemy of Allah and your enemy... ﴾ [60.-Al-Anfal]

In this special issue, we've dedicated the whole issue to the recent speech by the leader of Harakat Al-Shabaab Al Mujahideen, Sheikh Mukhtar Abu Zubayr, in which he sheds light on the terrible plight of Muslims in different parts of the world and specifically addresses the Muslims of Bangui and Mombasa.

We advise the Muslims in different parts of the world who are suffering under the heel of the global Crusade against their Islam to heed the call of Allah and then the call of the Mujahideen leaders and pick up arms in order to defend their religion, honour and properties.

Patience O' Muslim ummah, the dark clouds of humiliation glowering above us will soon pass and the light of Islam will radiate the world.

MUSLIMS OF BANGUI & MOMBASA: A TALE OF TRAGEDY

SHEIKH MUKHTAR ABU ZUBAYR'S LAST ADDRESS
(may Allah accept him)

“

IN THE NAME OF ALLAH. Verily, all praise is due to Allah and the blessed ending is for the Muttaqin [pious believers] and there is no aggression except against the oppressors, and may peace and blessings be upon our prophet Muhammad, his family and companions.

As for what follows: May peace and blessing be upon you:

My dear Muslims brothers:

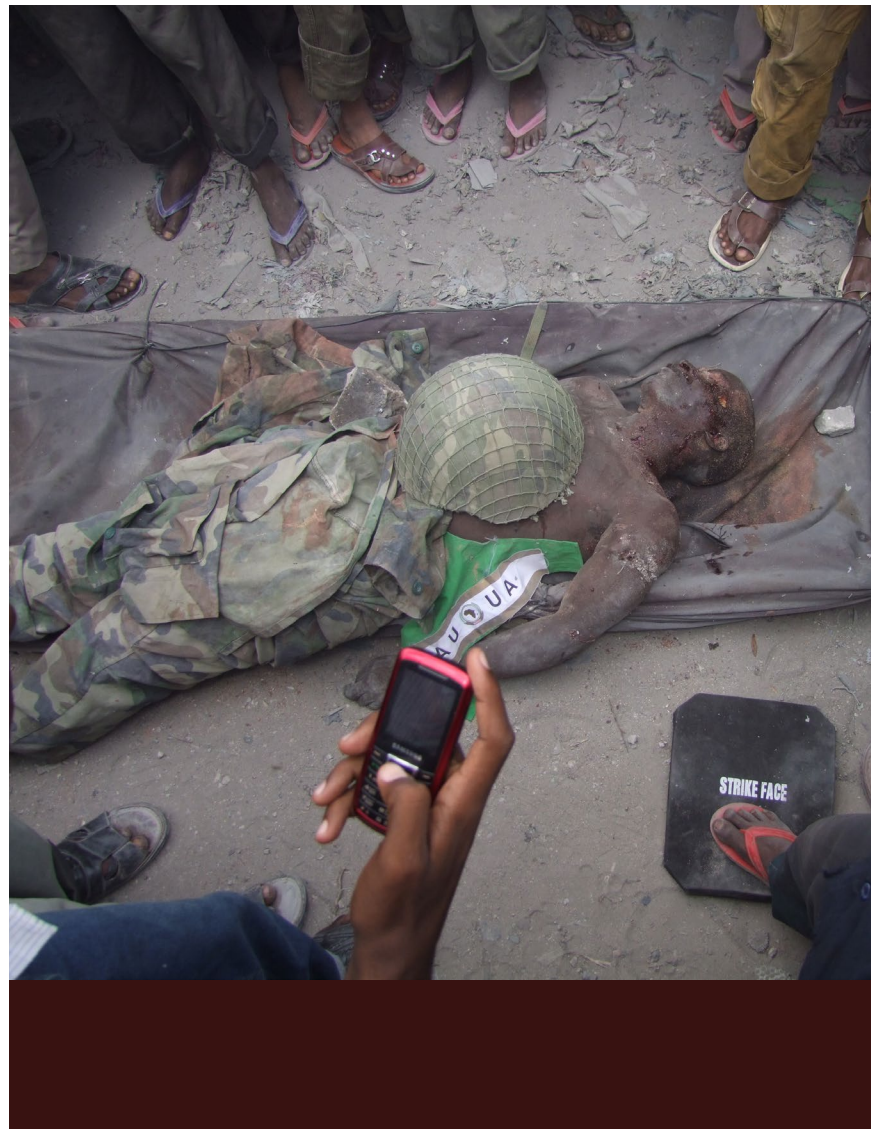

The Crusade
against the
Muslims
in Kenya.

Today, we will talk about the Crusade that is being waged against the Muslims in Africa, and chief among them, the genocide being perpetrated against the Muslims in the Central African Republic and the Crusade against the Muslims in Kenya.

But before that I want to give glad tidings to the Muslim Ummah in general and in particular, the Mujahideen among them - foremost among them being the Leader of the Believers Al-Mulla Muhammad Umar and our Sheikh and Amir, Sheikh Ayman ad-Dhawahiri. I give them the glad tidings that the Crusade against the Islamic governorates and whose objective was to put an end to Islamic Shari'ah and Tawheed is on its path towards failure.

And despite the fact that the Crusaders have gathered all their might for this offensive, and that more than 10 countries are taking part – including the US which has officially confirmed the presence of its forces in Somalia and Ethiopia which has now become part of

With the enemy now stretched out, they have become weak, making them fall prey to the Mujahideen's ambushes and attacks.

AMISOM - and despite having employed all forms of psychological warfare and propaganda, despite all that, the offensive encountered unmatched steadfastness from the Mujahideen and Ansar tribes.

The enemy plans were destroyed as a result and they began blaming one another; and that is due to Allah's favour and then because of the Mujahideen's unity, participation of the Muslim tribes in confronting the Crusade with their lives and their wealth, and the support of the righteous scholars to the Mujahideen, all of which are indicators that the road to victory and establishment of

this religion navigates across unity under the Kalima of Tawheed and mobilizing the Ummah against her enemies.

The fruits of several years of struggle have finally become apparent; struggle in the form of disseminating Da'wa among the general Muslim population and which eventually made them participate alongside the Mujahideen in times of joy and distress and stand with them in a single line against the invading enemy Crusaders.

With the enemy now stretched out, they have become weak, making

them fall prey to the Mujahideen's ambushes and attacks. The Mujahideen have also succeeded in besieging enemy territories and cutting off their supplies.

And the words of Allah, strike true in their regard:

"Verily, those who disbeliever spend their wealth to hinder (men) from the path of Allah, and so will they continue to spend it; but in the end it will become anguish for them. Then they will be overcome. And those who disbelieve will be gathered unto hell" [Anfal, 36]

As for the genocide that the Muslims of the Central African Republic have been subjected to, we say thus:

The plots of the European Crusaders against the African continent – the continent of Islam – and the humiliation of its population and plundering of its resources have persisted throughout history and their methods have often been varied.

[The Sheikh is referring to the period since the Berlin conference in 1884 in which the European powers divided up the African continent among themselves to the most recent conference held in Brussels [in 2014] between the European Crusaders and African nations and whereby combating Islam in Africa was established as one of its most important agendas, the plots haven't yet ceased.]*

So is what we are witnessing in the Central African Republic and Kenya part of a new Crusader plot to blockade Islam in the continent, redraw its map and plant separate entities of Crusaders in the middle of the Muslim populations similar to what happened in South Sudan?

The genocide that is being perpetrated against the Muslims in the Central African Republic, with oversight from the French forces, is nothing but a repeat of what the Muslims went through in Bosnia. This crime will be added to the long list of crimes by the French Crusaders against Islam throughout history, beginning with the Crusade Wars that were led by the French King Louis IX, through Napoleon's offensive against Egypt, leading up to the French massacre of the Muslims in Algeria and their current crimes in their occupation of Mali and participation in the Crusade against Somalia.

Allah, the Exalted, says: "And they will never cease fighting you until they turn you back from your religion (Islamic Monotheism) if they can." [Al-Baqarah, 217]

And what has taken place in Bangui clearly resembles what has occurred to the Bosnian Muslims in Srebrenica before two decades

(The UN Security Council passed resolution 819 which stipulated making Srebrenica a safe area, NATO forces,

headed by the French General, Bernard Janvier, then began disarming the Muslims. Then, in July 1995, the Serbs, armed to the teeth with a diverse range of weapons, came and killed thousands and displaced tens of thousands and violated the honour of Muslim women in the plain sight of the international forces. Following that massacre, a demographic transformation occurred in Srebrenica; before the massacre occurred, Muslims accounted for more than 80% of the population. After the war, however, they were reduced to only 5% and, adding to the conspiracy, the area was given to the Serbs in the Dayton agreement.)*

And today history is repeating itself in Bangui. The French forces began disarming the Muslims then the Christian militias completed the mission by killing, plundering and displacing Muslims. They also destroyed mosques and desecrated the Holy Qur'an; all this was done with the blessing and approval of the French forces.

We say to the Muslims of the Central African Republic: seek refuge in the weapon and fight against your enemies; defend your religion, your honour and your wealth; do not be deceived by the agreements of the United Nations or the peacekeeping forces, for they are a people that regard neither the ties of kinship nor covenants with regards to Muslims.

Take lessons from history, for here are your brothers in Bosnia who were subjected to the worst form of massacres under the plain sight of the European peacekeeping forces

And here are your brothers in Burma [Myanmar] being annihilated right under the eyes of the civilized world. Answer the call of the Truth:

Following that massacre, a demographic transformation occurred

The French forces began disarming the Muslims then the Christian militias completed the mission

They are a people that regard neither the ties of kinship nor covenants with regards to Muslims.

Allah, the Exalted, says:

"O you who believe! Answer Allah (by obeying Him) and (His) Messenger when he (peace be upon him) calls you to that which will give you life, and know that Allah comes in between a person and his heart. And verily to Him you shall (all) be gathered." [Al-Anfal, 24]

Urwa Ibn Zubayr (May Allah be pleased with him) said regarding [to that which will give you life]: 'meaning: to war through which Allah has honoured you with after the humiliation, and strengthened you through it after the weakness, and protected you from your enemies after being subjugated by them'

Allah, the Exalted, said:

"Permission to fight is given to those (i.e. believers against disbelievers), who are fighting them, (and) because they (believers) have been wronged, and surely, Allah is Able to give them (believers) victory.

Those who have been expelled from their homes unjustly only because they said: "Our Lord is Allah." - For had it not been that Allah checks one set of people by means of another, monasteries, churches, synagogues, and mosques, wherein the Name of Allah is mentioned much would surely have been pulled down. Verily, Allah will help those who help His (Cause). Truly, Allah is All-Strong, All-Mighty." [Al-Hajj, 39 - 40]

We say to the Muslims of the Central African Republic: seek refuge in the weapon and fight against your enemies; defend your religion, your honour and your wealth;

THE PLIGHT OF THE MUSLIMS, FROM BANGUI TO MOMBASA

Be careful of the Christian missionary organisations for they are part of the Crusade. While their forces supervise the killing and displacement of Muslims, Christian missionary organisations complete the task, so they corrupt the beliefs and morals of the displaced Muslims and transform their identities in a deceptive scheme of sharing responsibilities

And we call upon the Muslims in general, and, in particular, the Muslim populations adjacent to the Central African Republic, to support their brothers and help them with all means possible, and to stand beside them and console them.

Ibn Umar narrates: I heard the Messenger of Allah saying, "If you trade in usury, and follow the tails of cows, and became content with being farmers, and ignored jihad, Allah will impose on you a humiliation that would not be taken away until you go back to your religion."
(Abu Dawud – Authentic)

The Messenger of Allah said: "I was sent right before the final our with the sword until Allah is worshiped with no associates, and my provisions are under the shade of my spear, and humility is the destiny of whoever goes against me, and whoever imitates a people is one of them "
(Ahmad)

"Allah says:
"And let them carry their arms"
(al Nisaa 103)

As for what is happening in Kenya, from the killings of Muslim scholars and imprisoning them, violation of the sanctity of mosques and desecration of the Holy Qur'an, eviction of Muslims and plundering of their wealth, all these are but just one episode in the episodes of the Crusade against the Muslims of Africa.

And I say to the Muslims of Kenya: unite against this Crusade and stand firmly as one man; do not simply tolerate the deaths of your scholars, violation of your mosque's sanctity and the plundering of your wealth.

Do not stand by idly so that the historical massacres that were perpetrated against you do not return.

And know that your Crusader enemies are being coerced by the international Crusaders and do not respect agreements or neighbourhood or nationality.

Allah, the Exalted, says:

"How (can there be such a covenant with them) that when you are overpowered by them, they regard not the ties either

of kinship or of covenant with you? With (good words from) their mouths they please you, but their hearts are averse to you, and most of them are Fasiqoon (rebellious, disobedient to Allah)." [At-Tawbah, 8]

Do not waste your time in front of their courts and pleading to their parliaments, for they do not respect except the powerful ones, and they do not comprehend any language except that of the gun. Do not feel benumbed by the Fatwa of the evil scholars who sold their religion for the worldly benefit of others.

Allah, the Exalted, says:

"O you who believe! Take not as (your) Bitanah (advisors, consultants, etc.) those outside your religion (pagans, Jews, Christians, and hypocrites) since they will not fail to do their best to corrupt you. They desire to harm you severely. Hatred has already appeared from their mouths, but what their breasts conceal is far worse. Indeed We have made plain to you the Ayat (proofs) if you understand.

[Aal-Imraan, 118]

Martyr of Da'wah Sheikh Aboud Rogo

Martyred Sheikh Samir Khan

Martyred Sheikh 'Ibrahim Rogo'

MARTYRED
SHEIKH
ABUBAKAR

Follow the path of your Mujahideen scholars who openly proclaimed the truth, and who were murdered by the Kenyan Special Forces; the latest among them being Sheikh Abubakar, May Allah have mercy on him and accept his Martyrdom.

We tell the Kenyan government: you have committed a historical blunder when you invaded the Islamic governorates, so what was the result?

The deterioration of your security, collapse of your economy and exhaustion of your military forces - that is after you were enjoying your security within your borders and cities.

So do not commit another folly by oppressing Kenyan Muslims and transgressing against their sanctities. Do not be deceived by the support you receive from the Jews, Britain and America, for they will avail you nothing and they will abandon you to encounter your destiny on your own. And the Westgate operation is not far off from you.

And before ending my speech, I would like to conclude with a message and a condolence:

As for the message, then it is towards the Mujahideen in the Levant

Follow the path of your Mujahideen scholars who openly proclaimed the truth, and who were murdered by the Kenyan Special Forces

Muslims are subject to campaigns of genocide in more than one country; from Burma [Myanmar] and East Turkistan to Central Africa.

The Muslims in Syria are suffering the consequences of killings and expulsions from the Nusairiyah

I say to them: the news that has reached us from your front - the infighting between the Mujahideen and being absorbed in marginal battles - has caused us a great deal of distress.

O' beloved ones: how is it that you content yourself with this situation while the Muslims in Syria are suffering the consequences of killings and expulsions from the Nusairiyah, and Al-Aqsa is still in the hands of the Zionist Jews, and the people of Palestine are crumbling under the subjugation of the Jews, and the Muslims are subject to campaigns of genocide in more than one country; from Burma [Myanmar] and East Turkistan to Central Africa.

Fear Allah with regards to your Muslim Ummah; do not shatter their hopes, and fear Allah with regards to the blood of the Mujahideen

The plots of the enemies – despite being numerous against the Mujahideen in general and the Levant Front in particular - will not affect us by the will of Allah if we fear Allah and hold on to His Book and reject divisions and disputes

.Allah, the Almighty, says:

"They will do you no harm, barring a trifling

annoyance; and if they fight against you, they will show you their backs, and they will not be helped." [Aal-Imraan, 111]

And Allah, the Exalted, has also informed us of the weakness of the plots of Satan and his allies

Allah, the Exalted, says:

"Those who believe fight in the Cause of Allah, and those who disbelieve fight in the cause of Taghoot (Satan, etc.). So fight you against the friends of Shaitan (Satan); Ever feeble indeed is the plot of Shaitan (Satan)." [An-Nisaa, 76]

Ibn Qayyim, when discussing the causes of victory, said: "The fourth: unity and lack

WHEN THEY ARE UNITED THEY ARE LIKE A BUNDLE OF ARROWS WHICH NO ONE CAN BREAK

of disputes which bring about failure and weakness and which act as a soldier through which the contending parties strengthen their own enemy against them; because when they are united they are like a bundle of arrows which no one can break, but if they are separated and each arrow is isolated from the rest, then they are easily broken."

O' Beloved brothers: it is incumbent upon you to be just and fair both in times of anger and contentment and be careful of oppression and injustice and maintain brotherhood and humility.

Our prophet, may peace and blessings be upon him, said while on his deathbed: "I am not afraid that you would associate anything with Allah after me, but I am afraid that you may be (allured) by the world and (vie) with one another (in possessing material wealth) and begin killing one another, and you would be destroyed as were destroyed those who had gone before you." [Narrated by Muslim from Uqba ibn Amr]

Allah's Messenger (may peace be upon him) also said: "How would you be, O' people, when Persia and Rome would be conquered for you? They said: We would be as Allah has commanded us. Thereupon Allah's Messenger (May peace be upon him) said: Nothing else besides it? You would (in fact) vie with one another, then you would feel jealous, then your relations would be estranged and then you will bear enmity against one another. Then you would go to the poor Muhajireen [emigrants] and would make some the masters over the others." [Narrated by Muslim and Ibn Majah from 'Abdullah ibn 'Amr b. al-As]

Allah, the Exalted, said:

"And Allah did indeed fulfill His Promise to you when you were killing them (your enemy) with His Permission; until (the moment) you lost your courage and fell to disputing about the order, and disobeyed after He showed you (of the booty) which you love. Among you are some that desire this world and some that desire the Hereafter. Then He made you flee from them (your enemy), that He might test you. But surely, He forgave you, and Allah is Most Gracious to the believers." [Aal-Imraan, 152]

Abdullah Ibn Mas'ud (may Allah be pleased with him) said: "I never thought that anyone from the companions of the Prophet (peace be upon him) desired Dunya [material wealth] until the day of Uhud when this ayah was revealed."

So where are we from the companions of the Prophet (peace be upon him) - the Muhajireen and Ansar - who were admonished in these verses? So we should be careful of Allah's Plan and we should not be deceived by the fact that we are waging Jihad in the path of Allah.

Allah, the Exalted, says:

"And if you turn away (from Islam and the obedience of Allah), He will exchange you for some other people, and they will not be your likes." [Muhammad, 38]

Umar Ibn AbdulAziz ssaid: "I advise you to fear Allah, because the fear of Allah will outlast everything, and nothing can outlast the fear of Allah; and be righteous in your private affairs, Allah will improve your apparent affairs; and increase the remembrance of the destroyer of enjoyment and prepare for it before it befalls you; and know that this Ummah has never been in disagreement with regards to their God, or their prophet, or their Holy Book, rather they disagreed with regards to the Dinar and Dirham"

And I say to the supporters of the Mujahideen wherever they are: Fear Allah with regards to Jihad and the Mujahideen and restrain yourselves from that which causes disputes among them and beware of futile gossip.

The Messenger of Allah (may peace and blessings be upon him) said: "Allah hates for you irrelevant talk, excessive questioning and the squandering of wealth" [Sahih]

The Messenger of Allah (may peace and blessings be upon him) also said: "the worst mount a man can ride on is 'they allege' [narrated by Ahmad and Abu Da'ud from Hudayfa and by Ibn Mubarak, Ahmad and Bayhaqi from Abu Mas'ud]

Respect the leaders of Jihad and its scholars, have good opinion of them and appreciate their rights upon us, for we are all but merely a fruit from the fruits of their Jihad and steadfastness.

The Prophet (peace be upon him) said: "Verily, from the respect for Allah is to show respect to an elderly Muslim and to someone who knows the Qur'an, as long as he does not go to excess in it nor turn away from it, and to respect a just ruler." [reported by Ibn Mubarak, Abu da'ud, Abu Shaybah, tabarani, Bayhaqi from Abu Musa Al-Ash'ari. And Bukhari in Adabul Mufrad]

The Prophet (may peace and blessings be upon him) also said: "Anyone who does not respect our elderly and show mercy to our children and acknowledge the rights of our scholars is not one of us."

Al-Manawi said: "respecting the scholars and recognizing their rights is an accomplishment and guidance while neglecting that is abandonment, ingratitude and a great loss."

We should be from amongst those of whom Allah said:

"And those who came after them say: "Our Lord! Forgive us and our brethren who have preceded us in Faith, and put not in our hearts any hatred against those who have believed. Our Lord! You are indeed full of kindness, Most Merciful." [Al-Hashr, 10]

Leave the matter for the leaders of the Jihad and its scholars and let us comply with the teachings of the Qur'an during such occurrences:

Allah, the Exalted, says:

"When there comes to them some matter touching (public) safety or fear, they make it known (among the people), if only they had referred it to the Messenger or to those charged with authority among them, the proper investigators would have understood it from them (directly). Had it not been for the Grace and Mercy of Allah upon you, you would have followed Shaitan (Satan), save a few of you." [An-Nisaa, 83]

Ibn Kathir said [regarding the Ayah] that it is 'chastisement for those who indulge in things before being sure of their truth, disclosing them, making them known and spreading their news, even though such news might not be true at all"

The Prophet of Allah (may peace and blessings be upon him) said: "it is sufficient enough for a man to lie by narrating everything he hears"

And in the Hadith narrated by Bukhari, the Prophet (may peace and blessings be upon him) said:

"Last night two persons came to me (in a dream) and said to me, 'Proceed!' I set out with them ...until he said... So we proceeded and came to a man lying flat on his back and another man standing over his head with an iron hook, and behold, he would put the hook in one side of the man's mouth and tear off that side of his face to the back (of the neck) and similarly tear his nose from front to back and his eye from front to back. Then he turned to the other side of the man's face and did just as he had done with the other side. He hardly completed this side when the other side returned to its normal state. Then he returned to it to repeat what he had done before. I said to my two companions, 'Subhan Allah! Who are these two persons?'

until he said...

As for the man you came upon whose sides of mouth, nostrils and eyes were torn off from front to back, he is the symbol of the man who goes out of his house in the morning and tells so many lies that it spreads all over the world." [Narrated by Bukhari from Samura Ibn Jundub]

And since we live in an era of globalized telecommunications, we should safeguard our religion and we should be careful not to fall under this stern warning.

Also pay close attention to the threat that the media poses to the Jihad and the corruption it causes among the Mujahideen. Pray to Allah that He unites the ranks of the Mujahideen, reconciles between them, directs them and guides them to that which He loves and is pleased with.

As for the condolence:

I send my condolences to the Muslim Ummah in general, and to the Mujahideen in Chechnya in particular, for the departure of the Amir of the Islamic Emirate in Chechnya, Abu Osman Doku Umarov.

We ask Allah to accept him among the Martyrs, enter him into His expansive gardens and elevate his rank.

And we say to his successor, Amir of the Islamic Emirate in Chechnya, Abu Muhammad: we ask Allah to help you and direct you, and to support you against your enemies and protect you for the sake of Islam and the Muslims.

O' Allah settle the affairs of this Ummah in the right way, whereby those who obey You are honoured, and those who disobey You are disgraced, and where good is enjoined and evil is forbidden

O'Allah! Lord of Jibreel, Mikael, Israfeel, Creator of the heavens and the earth! All-Knower of the Ghaib (unseen) and the seen. You will judge between your slaves about that wherein they used to differ. Guide us upon the right in that which there is disagreement, for You alone guide whoever You will to the right path"

And the last of our call is that all praise is due to Allah
