FOR IMMEDIATE RELEASE

100 Kenyan Invaders Massacred, Others Captured Alive

07 Rabi' Ath-Thani 1437 (17/01/2016) – Following Friday's raid on a Kenyan base in the town of Eel-Adde, Gedo region, the death toll of the Kenyan crusaders massacred in the base has now risen to 100, as confirmed by the Mujahideen's Military Intelligence department. Mujahideen fighters from the 'Commander Saleh An-Nabhani Battalion' stormed the Kenyan base in the early hours of Friday morning, killing more than 100 Kenyan invaders, seizing their weapons and military vehicles and even capturing Kenyan soldiers alive.

This audacious attack - the largest single attack against the Kenyan military inside Somalia - comes as a response to the aggressive Kenyan invasion of Muslim lands and the Kenyan military's continued persecution of innocent Muslims, particularly in the North East and the Coastal regions. The spate of extra-judicial killings carried out by the Kenyan authorities against Muslim leaders and scholars in Kenya, the systematic detention and harassment of innocent Muslims and the recent discovery of mass graves in Mandhera are all indicative of the disbelievers' deep-rooted enmity towards Islam and Muslims and a continuation of the policies that led to the historical massacres in Wagalla and Garissa.

Allah, the Exalted says: *"Should they gain the upper hand over you, they would behave to you as enemies, and stretch forth their hands and their tongues against you with evil, and they desire that you should disbelieve"*. [Al-Mumtahina, 2]

Responding to the call of Allah to persistently wage Jihad against the disbelieving invaders, the Mujahideen conducted a series of debilitating raids against major bases of the allied African crusaders in Somalia, successfully managing to foil their plans and thwart their ability to manoeuvre beyond their bases. The constant raids, ambushes and the increased efficiency of the Mujahideen's diversified operations have rendered the African crusaders powerless to confront the soldiers of Allah, making them helplessly await their fate at the hands of the Mujahideen.

While the previous raids targeted African crusaders from Ethiopia, Burundi and Uganda, the latest raid was carried out by the 'Commander Saleh An-Nabhani Battalion' against the Kenyan crusaders. The battalion is named in honour of the legendary commander and military instructor, *Saleh An-Nabhani, may Allah have mercy on him*.

Harakat Al-Shabaab Al Mujahideen vows to strike the African crusaders, by the permission of Allah, until all the crusaders are expelled from the Muslim lands that they've occupied, Islamic Shari'ah is fully implemented and the religion becomes all for Allah alone. *"And fight them until there is no more Fitnah (disbelief and polytheism) and the religion will all be for Allah Alone"*. [Al-Anfaal, 39]

Further details regarding the Kenyan soldiers captured during the raid will be published soon Insha-Allah.
